TEEN PROGRAMS

Leaders-In-Training (LIT) Program

Age 14

Our two week sessions help our LITs to identify the characteristics of leadership, and develop those characteristics in themselves. LITs focus on personal development, goal setting and teamwork. Week one is spent getting to know fellow LIT members through team building and group morale activities. Week two focuses on personal development as a leader in camp, school and the community.

Counselor-in-Training (CIT) Program

Age 15

Our two week sessions help CITs to learn job skills and identify the characteristics of a good counselor and to develop those characteristics in themselves. CITs attend child care related trainings that will help them learn and understand things such as: behavior management skills, safety and awareness, how to lead games and activities and how to be a positive role model. Our CIT program is also designed to help CITs learn skills necessary to obtain and retain employment.

LIT and CIT programs are in 2 week repetitive sessions. To participate, your child needs to complete an interview with our staff, prior to registration.
