

CAPITAL DISTRICT YMCA
2023 Summer Camp
Parent Guide

**Thank you for choosing the
Capital District YMCA to care for
your child this summer.
We are grateful for your trust.**

Our Mission

The Y is a charitable, non-profit organization dedicated to strengthening our community. Our mission is to put Christian principles into practice through programs that build healthy spirit, mind, and body for all.

Statement of Inclusion

The Y welcomes children with individual needs into summer care when reasonable accommodations can be made. All children have multiple opportunities to learn, develop, and form positive relationships while in our care. During registration, please identify any health concerns or individual needs your child may have so we can determine together what accommodations your child may need to be successful. To best respond to your child's needs, completion of an individual care plan and a meeting with your child's Camp Director are needed prior to participating in summer care. We work collaboratively with families of children with special needs who receive specialized services and partner with agencies.

An Overview of What we Offer

Our 2023 Summer Camp provides children (ages 5-13) with fun, supervised activities that teach character values, conflict resolution, and leadership skills. Children have fun while making new friends, building self-confidence, practicing teamwork, and developing self-reliance. We offer a variety of activities, from crafts to science projects to songs and water activities. We also offer a variety of outdoor experiences including hiking and archery. All activities are age-appropriate, and children are placed in respective age groups to enjoy activities geared toward their developmental level.

Our staff prepare for rainy days with options including songs, skits, games and indoor activities. Rain never stops the fun at Y Summer Camp!

Our caring, competent staff offer positive reinforcement and safe surroundings. They actively promote the Y's core values of caring, honesty, respect, and responsibility and enthusiastically share fun and laughter helping the children in our care feel safe and cared for.

Our Hours, Days, and Months of Operation

Summer Camp is offered Monday through Friday, from the end of the current school year to the beginning of the next school year. Our formal care is offered from 9AM to 4PM, with before-care starting at 7:30AM and after-care ending at 5:30PM **at no additional charge**. To help your child enjoy time with her/his group, please make every effort to have your child at care by 9AM each day. **Thank you** for your kind assistance.

Staff Training and Counselor-to-Child Ratios

Our staff attend training before working at any of our camp locations. Their training covers CPR, first aid, character development, age appropriate activities, bullying prevention, child abuse awareness, and a variety of additional topics that ensure that your child enjoys a safe and fun experience.

As part of our highly regulated care, our staff are not permitted to baby-sit or participate in any non-YMCA organized activities or interactions with children.

Special Events

To ensure the best experience for each child in our care, our directors plan special activities during the day to add something special to your child's experience. Examples include:

- STEM Activities
- Swimming and water play
- Visits from Kona Ice
- Guests from Cornell Co-Operative Extension
- Guests from children museums

What to Bring to Camp

To help your child keep track of her/his belongings, please label items with your child's first and last name. Please send your child in comfortable play clothes.

Daily Items

- Hand sanitizer
- Water bottle; this is one of the most important items for your child.
- Healthy snacks and lunch. Please send your child with items that don't need to be refrigerated/heated.
- Bathing suit and towel
- Cap/hat/visor
- Non-aerosol sunscreen. This is a summer care essential item. The FDA is currently investigating the risks of accidental inhalation of spray sunscreens. It is difficult to know when using spray sunscreens if enough has been applied to cover all sun-exposed areas of the body, which may result in inadequate coverage. In light of this challenge and the FDA investigation, we require the use of non-aerosol sunscreen.
- Bug spray. Lotion/pump sprays are recommended.
- Backpack or similar to help carry items.
- Closed toe or athletic shoes. These are much safer than flip flops or open-toe sandals.
- Sweatshirt as it can get chilly during the day.

To provide the best experience for your child, and help her/him focus on each fun activity, **please leave these items home:**

- **Cell phones and electronic devices**, such as iPods, MP3 Player, Nintendo DS, and similar. If you meet with our staff and provide a compelling reason, a phone may be carried by your child. If used during camp, staff will place the phone in a safe place.
- Toys or stuffed animals
- Money
- **Trading cards**
- Make up
- Excessive jewelry

Lost items are placed in our Lost & Found area. Please let us know immediately when an item is lost. During the summer, items not claimed are donated to local charities. The YMCA is not responsible for lost, misplaced, or stolen items.

What to Wear

For the safety of your child, she/he needs to wear athletic shoes (not open-toed or open-heeled shoes), pants, shorts, and shirts. Clothing should be appropriate for summer activities and weather.

Meals and Snacks

Please send your child to care with her/his own meals, snacks, and water.

Enrollment Procedures and Change Notifications

All registration is done online at **cdymca.org**. **A non-refundable non-transferrable deposit of \$50 per week per child is due at the time of registration.** You will receive an email from CAMP DOCS regarding medical and emergency information. You need to fill out the following items prior to your child attending:

- Your child's immunization record
- Emergency contact information for someone other than you (not the parent or guardian)
- Each child's name, address, and phone number
- Parent and/or guardian contact information
- Payment information
- Registration deposit
- Doctor's name and phone number
- Documentation regarding any medical needs your child has

Helpful Information Regarding Paying for Summer Care

Automatic billing is set up at the time of registration. Our billing address is: Capital District YMCA, 465 New Karner Road, Albany, NY 12205.

Cancellations and program withdrawals need to be in writing and received at least one week in advance, otherwise you will be billed for the week.

Our \$10 sibling discount covers siblings who attend care at the same time and are adjusted by the Billing Department.

We Offer Scholarships

The Capital District YMCA offers financial assistance through our scholarship program. Please let us know if you need an application.

We Offer Sibling discounts

The Capital District YMCA offers Sibling Discounts at \$10 per week.

Child Arrival, Departure, and Pick-up Process

Always have your ID with you. For the safety of your child, she/he will be released only to those individuals listed on the emergency and/or authorized pick up section of the enrollment form. Individuals will be asked to show proper identification. In a case concerning the custody of a child, court documents are needed.

The Importance of Arriving On Time to Pick Up Your Child

For the emotional health and well-being of your child, please let us know if you will be late to pick up your child. To ensure that your child may remain in our care, we need parents to be timely when picking up your child.

Helping Your Child Develop Self-Management Skills

Self-management skills and positive social interactions among children and adults maximize everyone's enjoyment. Our staff are trained to use positive guidance methods including reminders, distraction, logical consequences, and re-direction to help children in their interactions with other children and staff. Self-management skills are taught according to the following guidelines:

- Consistent rules are clearly stated with the expectation that children will follow them.
- An atmosphere of trust is established, to assure children they will not be hurt nor allowed to hurt others.
- Our staff strive to help children become acquainted with their feelings which helps them learn to responsibly cope with those feelings.

Respectful Conduct

We know you want your child to have a wonderful experience this summer, as do we. To ensure all children enjoy a positive experience while in our care, we follow guidelines regarding respectful behavior. Following these guidelines ensures that your child is able to stay in our care this summer.

- Children should remain with their counselors at all times.
- Children should always remain with their group.
- Children should avoid entering unauthorized areas.
- Children should always use respectful language and be courteous to staff and others.
- Children should be respectful of others, making sure never to fight, injure, or bully.
- Children should always take proper care with their items and the items of others, never stealing or defacing property.
- Children should always follow check-in and check-out procedures.

In the event there is an incident during which your child does not behave in a respectful manner, we will notify you that day to ensure you're aware of the situation. We will contact you in person or, if we're unable to speak with you in person, by phone. At that time, we'll provide clear information about the situation and direction regarding the next steps for your child. If disrespectful behavior continues, we will advise you immediately if your child needs to be suspended or removed from our care.

General Health Practices

Please let us know immediately if your child has a communicable illness or infection. This allows us to notify the parents of children attending care with your child. Children with communicable conditions will be welcomed back to camp with a note from their physician indicating that they are able to return. For guidance regarding particular illness, please speak with your child's Camp Director.

Children with head lice will be welcomed back as soon as they are free of head lice.

If your child needs the assistance of medication, we need the appropriate medical paperwork and direction in order to administer that medication. For additional guidance, please see your child's Camp Director prior to the start of camp.

In the Event of an Accident or Medical Emergency

Your child's safety is our top priority. In the event your child needs medical attention, you will be contacted immediately. To ensure we have your current/correct contact information, please notify us immediately of any change of address or telephone numbers. If we cannot reach you, the Camp Director has the authority to seek medical attention. If the situation is a major medical emergency, the Director will call 911 immediately. Please note that parents and/or guardians are responsible for medical service charges.

Our Emergency Preparedness Plan

Our staff are trained in basic emergency procedures. Issues regarding weather, fire, natural disasters, and evacuation scenarios are covered in our training and fire drills are conducted each week.

Our Staff are Mandated Reporters

Our staff are trained to recognize and immediately report suspected child abuse and neglect. Our staff are mandated by New York State Law to report incidents of possible neglect or abuse — including physical, sexual, and psychological abuse — to the child abuse hotline and to cooperate in any investigation of possible neglect or abuse.

Our staff do not have discretion in this matter, but must make referrals whenever we have reasonable cause to believe a child might have been harmed by someone, including a family member, non-family member, or staff. We may be subject to criminal penalties if we fail to report the possibility of such harm. In grievous cases, we may refer the matter directly to the police. The child abuse hotline is 1.800.342.3720.

We Welcome Your Suggestions

We welcome open communication between parents and staff, knowing how important this is for the success of your child's experience with us. We welcome your suggestions regarding program expectations, ideas, and comments on how we may improve our service to you and your family.

You are welcome to call our Administrative Office if you are more comfortable contacting us there at 518.869.3500.

To Help Us Tell Our Story, We Use Photos and Videos

To help us illustrate all the fun at Y summer care, our staff use photographs and videos that feature children for our promotional materials. If you have any questions, please contact the Childcare Director where your child is attending camp.
