The recipe for a wonderful childhood includes adventure, learning, safety, friends, and fun! The CAPITAL DISTRICT YMCA uses these components to design our camp program, which will help your children grow by nurturing their sense of belonging as they meet new people and develop lifelong friendships. We have become more intentional in these areas by adding more opportunities for our campers.

Our staff aims to create a fun, adventurous atmosphere so all campers will have the best summer ever! Before your child arrives at camp, our team are trained according to Department of Health regulations, CPR, AED, First Aid, and more.

Our exciting activities will draw your child in, but the relationships formed at camp are why they want to come back year after year. We look forward to making new memories with your camper! Find your fun here at CDYMCA Summer Camp!

COUNSELORS IN TRAINING (CIT)

AGES

14 & 15
ENTERING 9TH AND
10TH GRADE

The Counselor-in-Training (CIT) program is designed to develop leadership skills in young people entering 9th and 10th grades. CIT applicants must be 14-15 years of age and/or entering 9th and 10th grades.

The CIT program is the first step in an individual's transition from camper to a potential staff member. We take pride in helping youth develop the necessary skills through interactive training, team building activities, and hands-on learning experiences. The goal of our program is to help CITs develop a positive work ethic that they can apply to any leadership experience in the future.

CITs shadow actual counselors, plan and facilitate activities, and participate in nearly every aspect of camp. We accept applications for teens 14 and older and/ or are entering the 9th grade. CITs are selected based on maturity, enthusiasm, and a desire to be a future leader at camp. This program does NOT guarantee employment.

Goals of the Program

- Prepare teens to work with children of all ages and backgrounds by providing lessons on age characteristics, diversity and inclusion, and behavior management.
- Prepare teens to become successful camp counselors by embedding the majority of their experiences within camper groups, working alongside counselors.
- Encourage role-modeling behavior.
- Provide hands-on training experiences in safety procedures, game and curriculum implementation, and group supervision.
- Establish a feedback system to enhance professional and personal development.
- Empower teens to enhance their abilities by providing them opportunities to explore and learn.

POLICIES AND PROCEDURES

POSITIVE GUIDANCE

Behavior management is accomplished through a positive approach that respects the child as an individual. Praise and positive reinforcement are effective methods of managing children's behavior. When children receive positive feedback and interaction from adults and others, they develop good self-awareness, problem solving abilities, and self-discipline.

Y staff will address normal day-to-day behavior by guiding children to resolve their own conflicts. The following techniques will be used to influence children's behavior: positive role modeling, setting limits, re-direction, and positive behavior alternatives.

Depending on the frequency and/or severity of a child's negative behavior, a meeting will be held with the parent(s), Site Director and the Childcare Director. With parental assistance, a plan will be devised to help us work with the child. The Y reserves the right to suspend or terminate a child from the program if behavior does not improve or is severe enough. Any child who inflicts physical harm on other children or Y staff may be immediately dismissed from the program.

BEHAVIORAL POLICY

At the Capital District YMCA, our childcare programs are designed to build capacity for students to succeed. The purpose of our Behavioral Policy is to reflect our four core values of **caring, honesty, respect** and **responsibility**. Our goal is to promote and maintain a positive atmosphere within each school-age childcare program; a child's misbehavior may prevent our staff from fulfilling this goal. A child exhibiting disruptive behavior (minor or major) will be guided using the following guidelines.

MINOR INCIDENTS

Minor incidents are minor day-to-day infractions that occur and are dealt with on the spot by our staff. Examples include:

- Misuse of YMCA equipment
- Disruptive outbursts
- Spontaneous slip of questionable words
- Playground disagreements and squabbles
- Rough housing

When these types of incidents occur, we focus on problem-solving and helping the child make better decisions in the future. Our staff use positive working strategies to help a child realize that negative behavior is ultimately nonproductive.

Each child should enjoy activities planned with the understanding that she/he is responsible for her/his actions. With prior knowledge of our basic rules for safety and behavior, we help each child learn to exercise self-discipline with our guidance. If a child exhibits repeated behavioral problems, you will be notified and encouraged to guide your child's behavior.

MAJOR INCIDENTS

Major incidents endanger the physical and mental safety of the child, other children and/or staff. Though most of the following misbehaviors are not evident in YMCA programs, it's important to be aware of them. Major incidents include, but are not limited to:

- Minor incidents that become repetitive or chronic
- Weapons
- Bullying
- Theft
- Lying
- Leaving supervised area without permission
- Throwing stones or other projectiles
- Abusive language
- Verbal threats
- Direct disobedience of and/or defiance of our staff
- Violation of any school's Code of Conduct

POLICIES AND PROCEDURES

A child exhibiting any of these behaviors will be separated from the group, a Behavioral Report completed, and a conference with the parent/guardian/responsible adult will occur. The child will be required to complete a behavior contract and submit it to our staff before returning to the program. Failure to comply with the contract will result in suspension or expulsion from our program.

For the safety and well-being of children in our care, we cannot care for children who display chronically disruptive behavior. Chronically disruptive behavior is defined as verbal or physical activities which may include, but are not limited to:

- Behavior that requires constant attention from staff
- Behavior that inflicts physical or emotional abuse on other children or self
- Behavior that abuses staff and/or ignores or disobeys rules

In response to any activities that involve fighting, assault, vandalism, using illegal substances, or any other endangering behavior, our Camp Director or Childcare Director will immediately remove the child from the program and contact you. Expulsion from the program will follow.

PARENT CONDUCT POLICY

Any misconduct by a parent/guardian/responsible adult toward Y staff and/or program participants may result in termination of your child from our program. This behavior includes threats, harassment, swearing, and violations regarding picking up your child.

WHAT TO BRING TO CAMP EACH DAY

To help your child keep track of their belongings, please add your child's name on everything they bring to camp. Please send your child in comfortable clothing that is okay to get dirty.

- **Hand sanitizer**
- **Water bottle**
- **Healthy snacks and lunch that does not need to be refrigerated/heated**
- **Bathing suit and towel**
- **Cap/hat/visor**
- **Non-aerosol sunscreen**
- **Non-aerosol bug spray**
- **Backpack**
- **Weather appropriate apparel, including closed-toe or athletic shoes**

WHAT TO LEAVE AT HOME

To provide the best experience for your child, and help them focus on each fun activity, please leave these items at home:

- **Cell phones and electronic devices**
- **Toys or stuffed animals**
- **Money**
- **Trading cards**
- **Make up**
- **Excessive jewelry**

Lost items are placed in our Lost & Found area. Please let us know immediately when an item is lost. During the summer, items not claimed are donated to local charities. The CDYMCA is not responsible for lost, misplaced, or stolen items.
