STRENGTHENING COMMUNITY

One member at a time.

Helping people is at the heart of the Capital District YMCA and has been from the start.

Through our childcare programs, we nurture the potential in every child. Through our health and wellness programs, we improve the health and well-being of those who live in our community. We strengthen our community by giving back and helping those in need.

Membership for all

Giving back is a core part of our mission. That's what makes the Capital District YMCA so unique. Through the tireless efforts and generosity of private donors, we work to assist those who need our programs and services but are facing financial roadblocks. It is through the generosity of others that we are able to provide assistance.

Membership starts today

Your membership in the Capital District YMCA begins today. We don't want you to have to wait even one day to join the Y and begin your path toward personal wellness.

Our commitment covers a range of products and services, from general membership to childcare programs and summer camp. Our commitment covers all ages, from infants to seniors.

The scholarship we provide is based upon the type of assistance you need, from an individual membership to coverage for your whole family, and takes into consideration your household income.

Your information

You have 30 days to provide the information we need to best respond to your needs. The assistance we provide is based upon income level and the number of people in your household seeking assistance.

Time frame

We ask that you please include the documents requested when submitting your completed MFA application for consideration. This process is the same for general membership as well as childcare and summer camp.

For our childcare and other services, we'll contact you with payment information and to let you know how soon your child(ren) can start.

Questions

We're here to help, so please let us know when you have questions. We also have staff ready to help at our branches. Simply ask for our Membership for All coordinator, or visit us online at www.CDYMCA.org and look for our Membership Department.

Membership & Programs for All

Today's Date ___/___/___
